QDI Surfaces has one of the largest collections of **porcelain pavers** in the industry and we offer a wide variety of sizes and colors to choose from. We offer **high quality, durable material** with an array of designer looks including **natural stone, contemporary cement, marble, limestone, travertine** and **wood plank**. With so many choices of style and colors, we can truly say we have something for everyone.

QDI Surfaces is in the business of supplying a wide variety of **high quality** porcelain and natural stone flooring and wall materials at the best possible pricing to the U.S. market. We are an industry leader and one of the **largest direct importers** and **wholesale distributors** in the country, with **millions of square feet of inventory** in stock and readily available.

We specialize in **porcelain, travertine, limestone, marble** and **glass mosaics** for all of your design and installation applications. These include **tiles, pavers, coping, cladding, mosaics** and **slabs**.

We also carry quality lines of adhesives, cleaners, sealers, grouts and profiles. QDI Surfaces is dedicated to **superior customer service** and is here to serve all of your flooring needs.

We welcome the opportunity to be a committed partner with your business for years to come.
